The Fourth Omnibus Objection seeks to disallow and expunge the Proof(s) of Claim listed in the column headed “Claims to be Disallowed and Expunged” in Exhibit 1 to the Fourth Omnibus Objection.

The Fourth Omnibus Objection seeks to disallow and expunge the Proof(s) of Claim listed in the column headed “Claims to be Disallowed and Expunged” in Exhibit 1 to the Fourth Omnibus Objection.

**NOTICE AND SERVICE**

A *Notice of Hearing on Reorganized Debtors' Fourth Omnibus Objection to Claims (Duplicate Claims)* was filed concurrently with the Fourth Omnibus Objection on August 13, 2020 [Docket No. 8758] (the “**Notice of Hearing**”). The Fourth Omnibus Objection, the supporting declaration of Robb McWilliams [Docket No. 8754], and the Notice of Hearing were served as described in the *Certificate of Service of Kendrick Ajayi*, filed on August 20, 2020 [Docket No. 8825] (the “**Certificate of Service**”). As further described in the Certificate of Service, on August 14, 2020, each Proof of Claim listed on Exhibit 1 to the Fourth Omnibus Objection received the *Notice of the Reorganized Debtors' Fourth Omnibus Objection to Claims (Duplicate Claims)*, customized to include the claim number, debtor, claim amount and priority, and the basis for objection of the disallowed claim, and claim number and claim amount and priority of the surviving claim for each counterparty.

Docket No.	Claimant	Claim No.	Resolution
8832	Tamara Lee Childs	88569 16876 <sup>1</sup> 92133 92445	<p>The Response raises questions that the Reorganized Debtors are investigating, in an effort to resolve the Fourth Omnibus Objection informally. The Reorganized Debtors offered to continue the hearing on the Fourth Omnibus Objection with respect to this Claim to provide an opportunity to confer with the Claimant in pursuit of clarification or an informal resolution, but the Claimant refused. <u>See Exhibit 2</u> attached hereto.</p> <p>Neither the Proofs of Claim nor Claimant's Response provides a factual or legal basis to establish that Claim Nos. 92133 and 92445 should not be expunged as duplicates.</p> <p>Furthermore, if Claimant wishes to move to amend Claim No. 92445 to assert a claim on behalf of Ossie Mitchell, the Claimant's grandmother who passed away in 2002 and whose name nowhere appears in any of the various Claims previously filed by Claimant, the Reorganized Debtors will object on the bases, among others, that Claimant has made no showing that: (1) she is the executrix of Ms. Mitchell's estate, nor has she demonstrated any basis for such a determination; (2) any claim on behalf of the long-deceased Ms. Mitchell or her estate is viable in light of the statute of limitations, or (3) there are colorable grounds to permit a late-filed claim on behalf of Ms. Mitchell or her estate.</p> <p>The Reorganized Debtors are prepared to address the Fourth Omnibus Objection with respect to this Claim at the hearing.</p>

<sup>1</sup> The Reorganized Debtors objected to Claim No. 16876 as amended and replaced by Claim No. 88569 as part of the *Third Omnibus Objection to Claims (Duplicate Claims)* [Docket No. 8753] (the "**Third Omnibus Objection**"). Ms. Childs does not appear to have responded to the Third Omnibus Objection. If both the Third and Fourth Omnibus Objections are sustained as to Ms. Childs' claims, Claim No. 88569 will survive.

Docket No.	Claimant	Claim No.	Resolution
8893	Bruce Willems	1073 3678	<p>The Reorganized Debtors' counsel explained to Claimant by email that the Fourth Omnibus Objection only sought to disallow and expunge one of the two duplicate claims, leaving him with one claim remaining. <i>See <b>Exhibit 3</b></i> attached hereto. Claimant has not responded, and his Response does not provide any factual or legal basis why he is entitled to a claim against PG&amp;E Corp. Claim No. 1073, filed against the Utility, is the Surviving Claim and is not affected by the Fourth Omnibus Objection.</p> <p>The Reorganized Debtors are prepared to address the Fourth Omnibus Objection with respect to this Claim at the hearing.</p>
9009	Sonoma Water	75444 78051	By agreement with the Claimant, Claim No. 75444 shall be disallowed and expunged. Claim No. 78051 survives, and incorporates Claim No. 75444 in its entirety.
9013	Salvador Negrete	80590 80267	<p>The Reorganized Debtors' counsel explained to Claimant by email that the Fourth Omnibus Objection only sought to disallow and expunge one of the two duplicate claims, leaving him with one, Claim No. 80267, remaining. <i>See <b>Exhibit 4</b></i> attached hereto. Claimant has not responded, and his Response does not argue or substantiate that he is entitled to both Claims.</p> <p>Accordingly, the Reorganized Debtors are prepared to address the Fourth Omnibus Objection with respect to this Claim at the hearing.</p>
9027	Michael Jurkovic	80468 80924	The Reorganized Debtors' counsel spoke to Claimant by phone, and asked him for the factual or legal basis why he is entitled to two claims. Claimant proposed to provide this information by email, but to date has not yet done so. His Response does not make any such showing. Claim No. 80468 is the Surviving Claim and is not affected by the Fourth Omnibus Objection. The Reorganized Debtors are prepared to

Docket No.	Claimant	Claim No.	Resolution
			address the Fourth Omnibus Objection with respect to this Claim at the hearing.
Informal	State Farm General Insurance Company	55630 86554	By agreement with the Claimant, the surviving claim, Claim No. 86554, is asserted against Pacific Gas and Electric Company, not PG&E Corporation. Claim No. 55630 is disallowed and expunged.
Informal	Angela Rodgers	31029 56866	The Fourth Omnibus Objection has been WITHDRAWN with respect to these Claims.
Informal	Love's Country Stores of California	17247 17255 17464	These claims have been WITHDRAWN by the Claimant, as reflected on the Claims Register.
Informal	Silhouette Gomez	4079 4596	The Fourth Omnibus Objection sought to disallow Claim No. 4596 as duplicative of Claim No. 4079. In fact, Claim No. 4079 was filed in error and is incomplete. By agreement with the Claimant, Claim No. 4596 will survive and Claim No. 4079 will be disallowed and expunged.

The Reorganized Debtors also received the following response, which does not oppose the Objection or require any modification of the relief sought by the Fourth Omnibus Objection: *Hudson Skyport Plaza, LLC, Hudson Skyport Plaza Land, LLC, and Hudson Pacific Properties, Inc. 's Consent to Entry of Order* [Docket No. 9012].

6           7.       This declaration was executed in San Francisco, California.

7           WHEREFORE, the Reorganized Debtors hereby request entry of an Order disallowing and  
8 expunging the Proofs of Claims listed in the column headed "Claims to be Disallowed and Expunged"  
9 in **Exhibit 1** to this Request, which listed Claims are identical to those listed in Exhibit 1 to the Fourth  
10 Omnibus Objection, except as otherwise discussed above.

**Subject:** In re PG&E Corporation - Claim Disallowance

Mr. Willems,

I received your email about disallowance of your claim. The claim objection you received does not seek to disallow your claim entirely; rather, it seeks to remove one of two duplicate proofs of claim. After this, you will have one claim, for \$2,261.92, listed on the claims register, subject to pending and further objections. Please do not hesitate to contact me if you have any questions.

Best regards,  
Dara

Mr. Negrete,

We've received your response to the Reorganized Debtors' Fourth Omnibus Claim Objection. To clarify, the Reorganized Debtors are not seeking to disallow all of your claims. You currently have two claims, Nos. 80590 and 80267. As far as we can discern, the two claims are identical. For that reason, the Reorganized Debtors have sought to disallow and expunge one of the identical claims, No. 80590. This would still leave you with one \$5,200 claim, subject to any future objections.

Please let me know if you believe the two claims are not identical. I'm happy to discuss by phone if that's easier.

Best regards,  
Dara
